

Our 2019 Miss Charlevoix Venetian Queen, Julia Sape, is the 20 year old daughter of Heather and Mark Sape. Julia completed her Associate of Arts Degree and graduated, with highest honors, from North Central Michigan College in May of 2020. She transferred to Oakland University in September of 2020, although she remained in Charlevoix, virtually completing her Junior year. This fall will be Julia's Senior year at Oakland as she will graduate with her Bachelor's of Science in Accounting Degree in May of 2022. She has plans to return to OU to complete her Master's of Business Administration in the near future. She is currently a full-time intern with GM Financial, while also continuing to work at Charlevoix Ace Hardware and Charlevoix Public Library. She loved representing Charlevoix at various festivals and events during 2019. While she was heartbroken over the cancellation of Venetian 2020, she has been extremely honored and excited to continue her reign as Miss Charlevoix, looking forward to all that is in store for Venetian 2021. Julia would like to thank the Venetian Board of Directors, Kris Way, and the community of Charlevoix for all the encouragement they have shown her during these unique times. She would like to thank her sponsors, Kris and Shay, from Boatworks of Charlevoix, for the endless support they have given her.
