

## 2022 – Kurt Anderson

Kurt Brian Anderson lives in Harbor Springs; he is doing a show at Charlevoix Circle of Arts this fall with 2012 Venetian Artist Kevin Barton. Kurt was raised in Motown during the 60's which greatly influenced his love of the arts. In 1995, while in the midst of a full time career as a surgical PA, raising a family and running an organic farm (who needs sleep?), he set sail on a self guided journey to rekindle his creative spirit through painting and has never looked back. He retired from the Physician Assistant profession in 2016 and has been happily painting full time since. An outdoor lover, he naturally gravitated to plein air painting which pairs two of his favorite activities. Kurt has received training from Mark Boedges, Marc Hanson, Timothy Horn, Shelby Keefe, Elizabeth Pollie, Caesar Citraro, and Alan Maciag.
