2024 Venetian Scorecard

Each year the Venetian Festival hosts a myriad of matches and competitions throughout the Charlevoix community, bringing locals and tourists together, vying for their own version of gold!

We are pleased to acknowledge the conquering heroes of the Venetian Games, our 2024 Miss Charlevoix Venetian and her Court, and those crafty and inspired entrants who earned honor in Venetian's Street and Boat Parades.

2024 Games Sponsored by  **MUNSON HEALTHCARE**
Charlevoix Hospital

This summer the Venetian Festival celebrated 25 years of Venetian Games! When community leaders assumed management of the Festival in the late 1990's, the Venetian Board initiated the concept of sponsoring an array of sporting events as part of the weeklong celebration. Board member and Games originator, Dean Davenport, became Commissioner to oversee the management and growth. With the startup of three events, it has now grown to 15 and has provided participation opportunities for thousands of "weekend warriors." In addition, the events provide spectator opportunities at event sites throughout the City. We salute the Venetian Games and the talented and dedicated managers of each sport. Here you will find the reported winners of this year's games!
